### Letter from the Principal

Dear parents and carers,

We have come to another busy week in school and I am very grateful for the teams full support.

The children have been very excited to start their after school activities and we were very pleased with the high level of sign ups and also that choir has been added to the weekly schedule (for children participating in the Anvil performance later this year).

If you enjoy environmental activities please be kindly invited to a special tree planting session below from Christine Allsopp.

### Tree Planting

Families are especially invited to join in the Community Tree Planting event on the morning of Saturday 29th January. at 9.30 am Access is via North Farm Close into the planting area at the far side of the field. Please wear stout footwear and bring a spade if possible. Watch out for more details as more small saplings need planting!

With best wishes

Rachel

### **What have we learnt in Collective Worship this week?**

**Written by Darcy Y4**

On Tuesday in Collective Worship Rev Julie came and talked to us about the Three Kings and we talked about an angel who protected Joseph, Mary and baby Jesus. The whole school listened and heard that Mary and Joseph left Bethlehem with only what they had in their bare hands. Alina was holding the baby, Blake was holding Joseph, Maisie was holding Mary and Sebi was holding the angel. People like Mary and Joseph had to pack, pack, pack and run, run, run to find a safe place from Herod.

### Principal's Awards

Congratulations to all the children who received Principal's Awards this week. We are all very impressed with the following children's quality of work and commitment to their learning.

Well done everyone else, remember never, never, never give up!

## **Kind reminders and messages**

### **Party Invites**

Please kindly note that children may give out party invites in school if every class member is invited. Please feel free to pass any other invites out to their friends outside the gates. Many thanks for your understanding

### **Dog fouling**

Please kindly ensure that if dogs brought to school at pick up and drop off any fouling is cleaned up after them, we have had several cases of 'dirty shoes' this week and dog faeces can lead to diseases in people (toxocariasis) particularly in young children. Many thanks

### **Huge thank you!**

Thank you to Luke and Kelly Lawson for nominating the school in a competition so that the school won a £1000 donation. We will be spending the money on drama workshops for the children with the Watermill Theatre and additional music resources. Thank you for nominating us, we are very grateful!
