Letter from the Principal

Dear parents and carers,

It has been a very sad week with the passing of our late Queen and I have been touched by the lovely things the children have said to me about her passing and the messages in our book of condolences. Here are some of the heart felt messages.

'The Queen always did the best for our country for 70 years. She was always kind and nice.' Lewis Year 3

'Thank you for looking after our world. I hope you are in heaven having a cup of tea.' Freddie Year 3

With best wishes

Rachel

Dear Parents and Carers,

please find below some information that you might find helpful.

Get help to buy food, milk and vitamins

(NHS Healthy Start scheme)

What is Healthy Start?

If you're more than 10 weeks pregnant or have a child under 4, you may be entitled to get help to buy healthy food and milk.

If you're eligible, you'll be sent a Healthy Start card with money on it that you can use in some UK shops. Benefit will be added onto this card every 4 weeks.

You can use the card to buy:

- plain liquid cow's milk
- fresh, frozen, and tinned fruit and vegetables
- fresh, dried, and tinned pulses
- infant formula milk based on cow's milk

You can also use the card to collect:

- Healthy Start vitamins - these support you during pregnancy and breastfeeding
- vitamin drops for babies and young children - these are suitable from birth to 4 years old

Visit the website below for more information <https://www.healthystart.nhs.uk/>

How can I apply?

If you're receiving a qualifying benefit and are pregnant or have parental responsibility for at least one child under the age of 4, you can apply online for the NHS Healthy Start card

How much will I get for my children?

- £4.25 each week of your pregnancy (from the 10th week of your pregnancy)
- £8.50 each week for children from birth to 1 year old
- £4.25 each week for children between 1 and 4 years old

Your money will stop after your child's 4th birthday, or if you no longer receive benefits. You can also get free Healthy Start vitamins.

Where to shop

You can use your card in most places that sell milk, infant formula, fruit and vegetables.

They must display a Mastercard® symbol. The symbol is normally shown on the shop door or at the till. Ask an employee inside the shop if they take Mastercard if you're unsure.

I get Working Tax Credit. Do I qualify?

If you, your partner, or your carer get Working Tax Credit (WTC), you do not qualify for Healthy Start unless you're under 18 and pregnant or you're only getting the WTC 4 week run-on. WTC run-on is what you receive in the 4 weeks immediately after you have stopped working for 16 hours or more per week.
