Letter to Parents/Carers

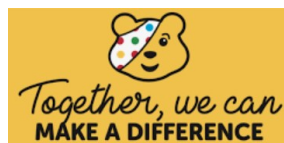

Dear parents and carers,

One of the highlights during another busy couple of weeks was 'Odd Socks' day last Friday; you raised an amazing £87.90. This week the children across the school are beginning to learn songs and carols in preparation for the Key Stage 1 & EYFS Nativity as well as the KS2 Carol Concert; see Dates for your Diary for more information. It is wonderful to hear them sing so confidently.

Thank you to those families who joined us in school on Wednesday morning for the MHST 'Sleep Workshop'. The MHST staff were happy to meet with you and discuss your experiences and offer suggestions and share strategies and tips around preparation for a good night's sleep and supporting your children to establish positive bedtime routines. It is pleasing to hear that some of those who attended have already seen a positive impact when using the advice and tips. Sleep plays a central role in our learning, emotional regulation, behaviour, and how we interact with others – all of which might help to explain the vital role that sleep plays in our ability to interact and cope with the world around us.

Thank you for all your kind donations to support our fundraising effort for Children in Need. The children thoroughly enjoyed making their donations and wearing their amazing odd socks and colourful tights.

With best wishes

María

## Our Year 3 Scientists visit the Winchester Science Centre

On Thursday 24th November our Year 3 Scientists enjoyed an all-inclusive experience that lasted for the whole day at the Winchester Science Centre. The children experienced a 45-minute curriculum-linked Discovery Workshop, a live Planetarium show as well as having lots of time to explore the two floors full of interactive exhibits. They had the opportunity to visit the exhibit spotlights in Sound, Hearing and Vibration and Explorer: Space to interact with the centres exhibits. Everyone thoroughly enjoyed this enrichment experience.

Enrichment opportunities such as this visit take a considerable amount of planning and preparation, I would like to express my thanks to Mrs Harle for providing the children with this exciting opportunity. I know Mrs Harle and Year 3 would also like to thank Mrs Howell, Mrs Williams and Mr Rackham for joining them on the trip and driving the School minibuses.
